Additional training sessions and **movie** use can be booked on site, subject to availability.

The transfer of the total costs is made collectively per training group or club.

The instructors of the training groups will receive a letter about two weeks before the start of the camp with all further necessary information and a list of registered vaulters.

Only pre-reservations will be considered, for which the cost of the horse (150,00€) per training group has been paid. If pre-registered training groups do not participate in the camp or if they are not deregistered until after 20.05.2024, the deposit cannot be refunded.
